DRAFT DEED OF ENDOWMENT.

The endowment fund of Rs.20,000/- (Rupees Twenty thousand) is given to the "Crawford Hospital" in Saklespur.

2. The amount may be deposited with Government as a Charitable Endowment, as kindly accepted by Government.

3. The interest arising from the endowment may be utilised for the benefit of poor patients resorting to the CrawfordHospital for the provision of comforts, facilities and conveniences in addition to such as are usually provided.

4. In addition to diet, clothing, medicine, etc., usually provided in such hospitals out of contributions or grants by Government or Local bodies it is frequently found that patients require special diet, special medicines and so on. Sometimes special instruments may be required for the treatment of the patients and it is to meet such a contingency that this endowment is made.

The interest should be used for such purposes. Generally it may be utilised for the benefit of poor patients to provide anything not usually provided from public funds in similar hospitals.

The object of the fund is indicated herein and the Department will have full discretion to utilise it as they deem fit in furtherance of the said or similar objects.

5. Accumulations of unused interest may be used to provide additional equipment for the hospital. Interest not spent in one year may be utilised in a subsequent year for the purposes referred to, or allowed to accumulate.

6. The administration of the fund will be at the discretion of the Government in the Medical Department.

He further desired that a Trust deed duly embodying the terms of the trust on the lines of the draft enclosed in my letter of even number dated the 4th May 1943 addressed to you, may be got executed as between the donor and Government. In the letter referred to above, I recommended that the endowment may be accepted and a trust formed as desired by Col.Crawford. Copy of letter No.127 dated 10/11-8-1943 from the Advocate General in Mysore, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

Sub: Endowment Fund given by Col.Crawford for the Hospital at Saklespur.

With reference to your letter No.C.2030-18 dated the 8th July 1945 on the above subject, I have the honour to state that inasmuch as the Fund, viz., Rs.20,000/- (plus Rs.10,000/-) is actually handed over to Government, no deed is necessary to effectuate the endowment - or, in legal language, trust, - and all that is necessary is for the trustee, viz., Government, to accept the amount and the terms of the trust as set out in the letter or letters of the author of the trust (i.e., the donor), and pass a G.O. to that effect. As all this has been already done, I am clear that there is no necessity whatsoever for requiring any further deed or document to be executed by the donor of this most munificent donation: vide S. 5, para 2, of the Indian Trusts Act, (II of 1882).
